Carlisle Waverley Viaduct Trust
13 Beaver Road
Carlisle CA2 7PS

On behalf of President Ian and members of the Rotary Club of Carlisle, I am pleased to write in support of the efforts of the Trust to reopen the Waverley viaduct as a footpath/cycle path.

At a time when we are encouraged to take regular exercise and in an environment that is increasingly noisy and polluted, it is essential that we provide as many opportunities as possible for recreation in a clean and attractive environment. The re-opening of the viaduct would seem an ideal opportunity to do this by linking existing footpaths and expanding the choice of routes in this area.

All involved in this project are to be commended for their efforts and have the support of this Club

With very best wishes
